To Whom It May Concern

RE: SHOKE COMMUNICATIONS SDN BHD (SCSB)

Firstly, on behalf of the student delegates to the HARVARD WORLD MODEL UNITED NATIONS (World MUN), which was held in Heidelberg, Germany from 23-27 March 2003, we will like to take this opportunity to thank SCBC in helping the students obtain substantial sponsorship to make this experience a reality.

SCBC had provided sound advice and strategy to assist in obtaining financial aid and sponsors. We are truly grateful for their invaluable contribution towards helping them realise their goals without which they may have not been successful as it as a self-funded project.

World MUN is a unique conference that brings over 1000 university students from 6 continents to simulate various bodies of the United Nations and other international organizations. Students have the opportunity to act as delegates and have dialogues on the same issues that are being addressed at the actual United Nation debates.

This is the first time Malaysia is being represented at the World MUN since its inception in 1992. The delegates were invited by HARVARD to participate, and be doing so as ambassadors for the country. This was a golden opportunity to represent Malaysia and promote the intellectual capabilities of our youth in the international arena.

Once again, on behalf of the students, we would like to take this opportunity to thank SCBC for their assistance.

Yours sincerely,

Ramesh Jutti
Associate Professor of Surgery & Associate Dean
