Dear Mr. Ashok,

Congratulations on the excellent work done on the occasion of our annual dinner which was held on the 12th of December 03 at the Pan Pacific Glenmarie Hotel. Your efficient and professional organisation of the evening's entertainment, the music and the emcee has contributed to the success of our function. This has enabled us to sit back and enjoy the evening without any anxiety or worries. We thank you for your valued support and we wish you a happy and successful 2004.

Yours sincerely,

Susan Lee
